

CLEAN HARBORS LODGING SERVICES

Advantages of Staying at a Clean Harbors Lodge

The Clean Harbors Lodging Services Advantage, starts the first time you step through the door in any of our lodges across western Canada.

We pride ourselves in being leaders in providing comfort, exceptional service, and cleanliness.

Our consistent approach to hospitality allows our guests to relax and enjoy their stay while providing them with a positive experience away from home. Each of our lodges is designed by a group of experienced professionals who have lived in the field and understand the unique living, social, and recreational expectations of today's oilfield and construction workforce.

Ruth Lake Lodge

Located 26 KM north of Fort McMurray, this new contemporary designed lodge consists of 604 rooms and is maintained to the highest possible standards of hospitality, customer service, and cleanliness. You can expect Ruth Lake Lodge to provide comfortable, relaxing, and premium accommodations that offer many of the comforts of home.

The moment you arrive at the lodge, you'll feel welcomed. Your entry into its inviting two story reception area - beautifully appointed with luxury sofas, chairs, and a dual fireplace - will provide a glimpse of what's in store for you. Every element will entice you to stay.

The comfort extends into an expansive dining area, which provides a wide variety of seating arrangements for large and small groups. You'll enjoy exquisite meals created by our professional catering team, led by our head chef who will continuously develop daily menus for you to indulge in.

And, there won't be any shortage of onsite meeting space as we have incorporated an Executive Business Centre with private meeting rooms and two private boardrooms. Each room has wireless internet access and the capability of hosting video presentations.
